

Samsung Electronics New Zealand Limited (“Promoter”)

Promotion Terms and Conditions

Samsung AI Energy Competition (“Promotion”)

Defined Terms

In these Promotion Terms and Conditions:

Prize means a Prezzy Card described in Table 2

Claimant means an individual who submits a claim and satisfies the Eligibility Criteria.

Participating Product means the Samsung products identified in Table 1.

Promoter means Samsung Electronics New Zealand Limited, 24 The Warehouse Way Northcote Auckland.

Promotional Period means before 9:00am 18th August and 9:00pm on 31st December 2026.

Monthly Entry Period means the period stated in Table 2 during which a valid claim must be submitted to be eligible for the highest energy-savings Prize and initial entry into the random-draw component of the corresponding Draw.

1. Participation in this Promotion is deemed acceptance of these Terms and Conditions. The Promotion and any Prize is not valid in conjunction with any other offer.
2. Each Claimant may win no more than one \$300 Prezzy Card during the Promotional Period.
3. Each Draw will take place on the date stated in Table 2. A valid claim will first be entered into the Draw corresponding to the Monthly Entry Period in which it is received. If the claim does not win any Prize in that Draw, it will roll over only into the random-draw component of each later Draw during the Promotional Period, unless the Claimant subsequently wins a Prize or the claim is otherwise invalid. A rolled-over claim will not be eligible for the highest energy-savings Prize in a later Draw and will not be entered retrospectively into an earlier Draw. If the Draw date is not a working day in New Zealand, the Draw will take place on the next working day.
4. For each Draw, three winners will each receive one \$300 Prezzy Card:
 - a. One winner with the highest energy (KW) savings generated during the corresponding Monthly Entry Period through the Claimant’s Participating Products, as displayed in the SmartThings screenshot submitted with a new valid claim during that Monthly Entry Period. Rolled-over claims are not eligible for this Prize. A Claimant must submit a new valid claim during each Monthly Entry Period if they wish to be eligible for this Prize; and
 - b. Two winners selected at random from the remaining valid claims submitted during the corresponding Monthly Entry Period and eligible non-winning claims rolled over from earlier Monthly Entry Periods.
5. The Promotion is only open to New Zealand residents aged 18 years or older who, during the Promotional Period:
 - a. own a Participating Product (whether acquired before or during the Promotional Period), connect it to their SmartThings account, and, during the relevant Monthly Entry Period stated in Table 2, submit through the Promotion webform on samsung.com/nz a screenshot showing the Participating Product and the energy savings generated during that Monthly Entry Period through their Participating Products (“**Eligibility Criteria**”).
 - i. Participants must download the SmartThings App, connect their Participating Product to their SmartThings account, and, during the relevant Monthly Entry Period stated in Table 2, upload through the Promotion webform a screenshot

showing the Participating Product and the energy savings generated during that Monthly Entry Period through their Participating Products.

- ii. For the purposes of the Promotion, only energy savings calculated through a Participating Product listed in Table 1 will be counted. AI Energy Mode does not need to be toggled on for those savings to count.
 - iii. Non-Samsung products connected to SmartThings are not eligible. Only the Participating Products listed in Table 1 are eligible.
6. Employees (and their immediate families) of the Promoter, Participating Retailers, and agencies associated with this promotion are ineligible for this promotion.
